Each doctor has his own surgery and his own assistant /nurse practitioner. The reception desk and waiting room are shared by all doctors.

Always call your doctor in the morning. The assistant will ask the reason of your call and answer your questions or make an appointment to see your doctor.

After 12.00 all telephone calls will be answered by just one assistant at the reception desk. Please do not call for matters that can wait until the next day.

Emergencies:

Monday-Friday 08.00 - 17.00: call your doctor and key 1

Monday-Friday 17.00 - 08.00 and at weekends:

Huisartsenpost in Hospital Gelderse Vallei:

0318-200800

In life-threatening situations: call 112
